By ItzGamerBonez Published on September 26, 2018 (updated on October 19, 2018) Hide and Search is a game where some players will try to search and find them. The map is built in a way to best support multiplayer and you can play it on any of the different Bedrock platforms (e.g. Xbox, iOS, Android, Windows 10 and so on). It's a good card if you're looking for a fun and intense minigame to play with friends. Creator: ESS (Team) (view all credits) Change: 19 October 2018 (read change log) Credits Warning Do not make a copyright of this card. Don't post it to other sites without my permission. Have fun playing! Please do not affect any changes in world settings the game performance. Changelog Fixed the bug you cannot mark other players. Fixed a place where you can sometimes get stuck. Now has a night off feature. Fixed Villager has some random trades through their prophecy. Optimized Timer Performance. Some changes have been added so some secret locations cannot be seen. Other bug fixes. Installation Download . McWorld Download . ZIP tags: . MCWorldMinigame Cards SCREENSHOTS: APP DESCRIPTION: Download this information called Hide and search Minecraft pe Maps.This App contains five hidden and search for mini-game cards. Kitchen Hide-and-Seek is a fun hide-and-seek mini-game taking place in a large kitchen. Some of the hiding places include a large fridge, cupboards, a sink and an oven. It looks quite realistic and it will feel like you're an ant in a big world. Concealed N Seek Caves is a mini-match card where two teams compete against each other. The hydre is supposed to keep themselves hidden as long as possible and the searchers are supposed to find the hids as soon as possible. This is a very unique type of minigame worth playing if you're at least 2-4 of players (or more). Note: It's free to download. This is an unofficial map for Minecraft Bag Addition.
